Kits for Kids. Provide Marshall County DHR with tote bags stuffed with personal grooming needs for children of all ages who might come into foster care. Children are picked up by social workers at all hours of the day and night and it would be great to have a tote bag ready to go to a foster home with items that every child will need. Items can include: shampoo, conditioner, other hair products, baby wipes and lotion, hair brushes, combs, ponytail holders, deodorant, shaving supplies and other items. Anything you want to include would be greatly appreciated.

Shoes Make Me Smile. Children coming into foster care come with literally the clothes on their backs; typically tattered and worn. As a part of our care package, and when other needs arise, we would like to present the child/children with new shoes. New shoes just make you feel good sometimes...new shoes just make you smile sometimes. If they do that for us, imagine what it will do for a child coming into foster care. A child scared about his/her present condition; a child scared about his/her future. Help us alleviate some of that fear and concern. Help us create a smile. We need shoes of all kinds and sizes, for boys and girls. We would love for them to be new shoes in a box, if possible.

Car Seat Drive. We need car seats. We need seats for infants, seats for babies and toddlers, and booster seats for older children. Typically, foster parents have seats that can be used when children are in their care but there are times when having seats available would be a tremendous gift. We would also like to send children home with a safe car seat, if possible. Oftentimes, parents can’t afford the seats and limited means of acquiring them leads to unsafe situations with the wrong seat, with an expired seat, or even no seat. We would prefer new seats but will accept gently-used ones as well as long as the expiration date is valid.

Mail Buddy Program. Become a “pen-pal” for a child in need of encouragement. Mail buddies will send notes of encouragement to their selected child no less than once a month. Letters, notes, cards, small gifts, will be sent to the CAC where the child will receive and write a response during their counseling sessions. You will be given non-identifying info about your child when you sign up. Volunteers need to have the ability to communicate words of encouragement to children. Volunteers can send letters, card, and possibly small gifts for special occasions. This is an on-going project.

Sponsor a meal and Food Preparation. Prepare the meal for one of the Camp HOPE events and the participants. In the past estimated # of participants to include staff and volunteers is 200. You may come onsite and cook/grill the food or prepare off site. Camp HOPE is a one day grief camp for children and their families who have experienced a significant death. Camp HOPE is offered twice a year. The fall Camp HOPE is offered to children ages kindergarten to 12th grade. It is considered a field trip for students enrolled in SCH In School Bereavement Program. The Family Camp HOPE is offered each spring to children and their families. It is typically hosted on a Saturday in May.

Make a Last Wish Come True. Often times it is the desired wish of a dying patient to live out a final request such as: view the beach for the first time. Play with their grandchildren at an amusement park. Picnic with small children. Purchase a loved one a legacy item for example: a keepsake locket. Last anniversary celebration. Birthday party celebration. Fishing trip. Cruise, etc. The requests are always as unique as the patients we serve and can occur at any time of the year. If chosen, the volunteer(s) will be notified when a wish is known.

Adoption Celebration. November is National Adoption Month and every year the Marshall County Department of Human Resources hosts a celebration for families that have been created through adoption from foster care in the past year. We need a sponsor to provide cake, drinks and other snacks, if desired, and paper products to host the event. We would also request helium balloons to be released at the celebration. The event is generally held toward the middle of November and volunteers could also come to the office to set up and attend the event, if desired (a confidentiality agreement would need to be completed). The DHR staff will handle the guest list for the celebration. A gift certificate could be provided to purchase supplies, if desired.
