What is United Way?

United Way is made of caring people - like **YOU** - who work together to support kids, families, and people of all ages in Marshall County. We're here to ensure everyone has the resources they need to thrive!

Our mission is to provide support and assistance, whether it's helping people find a safe place to live, access food, or obtain crucial financial aid and more. We collaborate with other non-profits, businesses, and generous community members to raise funds and support vital causes.

Our goal is to make our community a better place for everyone, regardless of age or background. We believe that when we stand UNITED, we can create a brighter future for ourselves and future generations.
