What is United Way?

We're a big team of caring people who work together to help kids, families, and individuals of all ages in **Marshall County**. We have been serving our community for years because we believe that everyone deserves a chance to succeed.

One of the things we do is provide help and resources to make sure everyone has what they need to thrive.

We want to make sure kids have a good education and the tools to learn and grow. We also want families to have support when they need it, whether it's finding a safe place to live, getting healthy food, or getting help with important things like financial assistance and more.

We also care about making long-lasting changes that improve people's lives. That's why we partner with other non-profit organizations, businesses, and generous people in our community to raise money and support important causes. We want to make sure everyone has equal opportunities to thrive in Marshall County.

Whether you're a kid, a parent, a grandparent, or a friend, we're here for you. We want to help make our community a better place for everyone, no matter their age or background. We believe that when we are UNITED in PURPOSE we can create a brighter future for ourselves and future generations.

¿Que es United Way?

Somos un equipo de personas solidarias que trabajan juntas para ayudar a los niños, familias y personas de todas las edades en Marshall County. Llevamos años sirviendo a la comunidad por que creemos que todos merecen la oportunidad de prosperar.

Una de las cosas que hacemos es brindar ayuda y recursos para asegurarnos de que todos tengan lo que necesitan para salir adelante. Queremos asegurarnos de que los niños tengan una buena educación y las herramientas para aprender y crecer. También queremos que las familias tengan apoyo cuando lo necesiten, ya sea para encontrar un lugar seguro donde vivir, obtener alimentos saludables o recibir ayuda con cosas importantes como asistencia financiera, entre otras.

También nos preocupamos por hacer cambios duraderos que mejoren la vida de las personas. Es por eso que nos asociamos con otras organizaciones sin fines de lucro, empresas y personas generosas de nuestra comunidad para recaudar dinero y apoyar causas importantes. Queremos asegurarnos de que todos tengan las mismas oportunidades para prosperar en Marshall County.

Seas un niño, un padre, un abuelo o un amigo, estamos aquí para ayudarte. Queremos ayudar a hacer de nuestra comunidad un lugar mejor para todos, sin importar tu edad u origen. Creemos que cuando todos estamos **UNIDOS** y brindamos una mano amiga, podemos crear un futuro más brillante para nosotros y las generaciones futuras.

How it all began...

It was the year 1993 when United Way of Marshall County was incorporated, marking the beginning of an extraordinary chapter in our county's history.

Before United Way came into existence, the cities of Marshall County had been functioning under separate local service boards. While their intentions were noble, there was a realization that true impact could only be achieved through a unified effort. And so, United Way emerged as a beacon of hope, a catalyst for change that would transcend boundaries and bring people together.

Through our dedicated team, passionate volunteers, and unwavering community support, United Way became synonymous with resilience, innovation, and the power of collective action. This year, we celebrate this milestone with great joy and pride. Thirty years have passed since the birth of United Way of Marshall County, and the impact we have had in our community is immeasurable. Countless lives have been touched, countless dreams have been nurtured, and countless barriers have been broken down.

United Way's journey has been one of tireless dedication to addressing the critical needs of residents in Marshall County. Through our annual fundraising campaigns, we have been able to allocate resources where they are needed most. The donations, big and small, have enabled our organization to fund crucial initiatives that tackle poverty, promote financial stability, and enhance the overall well-being of the community.

But our impact extends beyond financial contributions. It is a spirit, a force that unites people from all walks of life, inspiring them to give their time, skills, and hearts to a cause greater than themselves. United, we have built a tapestry of compassion, resilience, and hope that envelops the entire county.

As we celebrate thirty remarkable years, United Way of Marshall County continues to look to the future with unwavering optimism. We remain steadfast in pursuit of a community where everyone has the opportunity to thrive. Guided by our vision, we forge ahead, seeking innovative solutions, fostering collaborations, and embracing the evolving needs of an ever-changing society.
